Save Big \$\$\$!

SAVE OVER REAL STONE

Homeowners, apartment managers, and hotel operators who want the "natural" look and beauty of stone finishes are carefully comparing the proven performance of *Stone-Flocks* to expensive granite and stone.

With *Stone-Flocks* you will enjoy savings of up to 80% over replacement with minimal downtime involved...a new counter in just a few hours!

Best Value For Your Dollar

As it is applied, *Stone-Flocks* forms a tough, durable finish that provides superior protection for many more years against impacts and abrasions that can shorten the life span of traditional laminate surfaces. The combination of quality and low cost makes *Stone-Flocks* the best value for your remodeling dollar.

DURABILITY - LOW MAINTENANCE

Another advantage of *Stone-Flocks* non-porous finish is that it is highly resistant to acids and stains. Plus, you will never have to recondition or seal with *Stone-Flocks*, unlike real stone surfaces. *Stone-Flocks* retains its natural luster and is simply cleaned with soap and water.

fresh modern look in as little as 1 day!

CERAMIC TILE

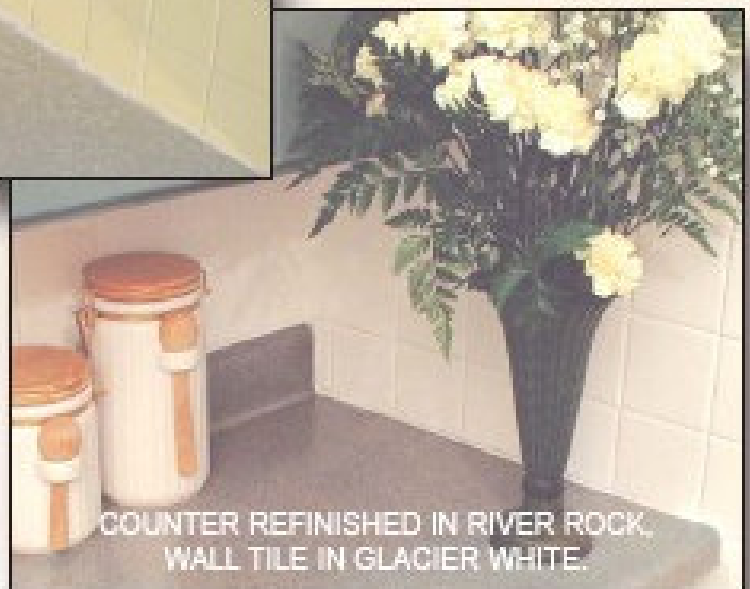

Refinishing your ceramic tile with *Stone-Flecks* is more cost effective and involves less downtime than replacing.

Stone-Flecks is non-porous, unlike traditional tile surfaces and grout lines. Refinishing your ceramic tile walls helps eliminate the likelihood of mold and bacterial growth making the surface safer for your family and guests.

With the waterproofing action of *Stone-Flecks* you no longer have to worry about regrouting and recaulking your ceramic tile, making *Stone-Flecks* the best choice for a maintenance free, easy to clean finish.

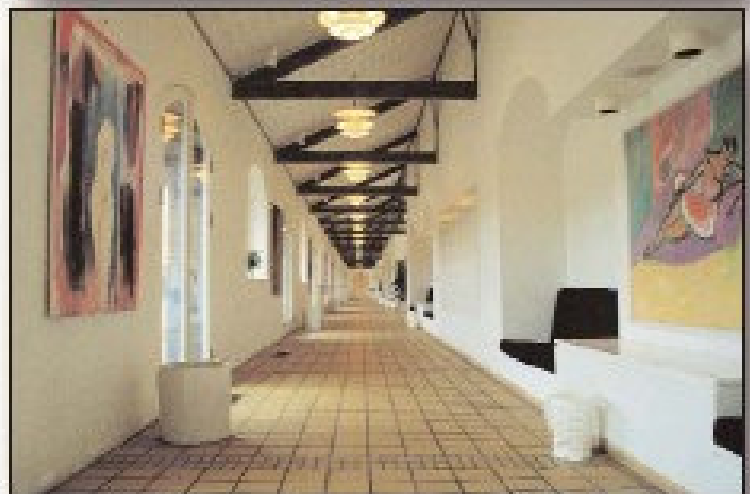

- **Easy to clean**
- **Never regrout or recaulk again!**

WALLS • FOYERS • HALLWAYS

LESS EXPENSIVE THAN WALLPAPER

Using *Stone-Flecks* to decorate on walls instead of wallpaper or faux finishes saves you both time and money while producing a durable, easy to repair and easy to clean surface. The natural beauty of *Stone-Flecks* will enhance your property's look and value.

Many other uses:

- **Claw foot tubs**
- **Bathroom walls**
- **Restroom stalls**

With a dazzling array of new decorator colors to choose from and the ability to quickly apply *Stone-Flocks*, few other materials offer such exceptional savings and design freedom for kitchens, bathrooms and beyond.
